Hi Carl:

I know you have been copied to most of my emails and should be pretty updated. I have attached the current DWO through the 17th. I have also attached the draft DWO for you to revise starting the 18th. My OSC log is attached.

Pete, I am not sure if and when you can come to the site. If anything just to say "hi". I will continue to copy you on things so you are updated just in case you are asked for some reason to oversee operations in the near future.

Please let me know if there are any questions.

Regards,
